THIS IS NOT A CIRCULAR

Moorway Lane -
directly affected residents Blagreaves Ward

Hand Delivered

Dear Resident

IMPORTANT INFORMATION REGARDING MOORWAY LANE

Derby City Council will be completing essential resurfacing work at Moorway Lane on the following dates and times:

Monday 3rd November for 2 weeks – 24 HOUR CLOSURE

The work will be completed by Thomas Bow Ltd & Stabilised Pavings Ltd, on behalf of Derby City Council and will include replacement of the road surface and road markings.

We appreciate this work is disruptive and journeys could be delayed. Our main aim is to get the work completed as quickly and safely as possible. We will do our best to make sure all properties directly affected by the work can be accessed with minimum disruption. We will not be able to meet everyone's personal requirements, so you may experience some delays in gaining access, at certain points of construction. Please be patient. There will be Traffic Marshals to direct traffic and assist you. Pedestrian access will be maintained at all times.

We have a full programme of repairs and improvements planned across the city, focussing on both resurfacing/reconstruction and surface treatment projects. This location has been prioritised for essential maintenance as part of this programme.

If you have any questions regarding the scheme itself, please contact us at maintenance.highways@derby.gov.uk

We welcome feedback on any aspect of this scheme, so please let us know your thoughts when we have completed the work by emailing maintenance.highways@derby.gov.uk

We thank you in advance for your patience.

Key points to note:

- The resurfacing work will be carried out to Moorway Lane between Bakeacre Lane and Farmlands Lane
- Work will be carried out within a **road closure**.
- **The road will be closed 24 hours a day**
- Working hours will generally be 7:30am – 5:30pm.
- The following diversion route will be in place during the works:
 - **DOLES LANE – BURTON ROAD – FINDERN INTERCHANGE – RYKNELD ROAD – PASTURES HILL – HILLSWAY- THE HOLLOW – BLAGREAVES LANE (and in reverse).**
- Please do not park vehicles on the road during the hours of work, as this will delay the resurfacing.
- Work is subject to good weather.
- No weekend work is planned, but may be a possibility, subject to progress.
- Refuse collections will be carried out as normal – please put out your bin on the usual day.
- Residents will be able to access their properties, however there may be a delay at certain stages of the resurfacing work.
- Roadside boards will be erected to give advance notification of the roadworks to the travelling public.
- If you have any special access requirements or known deliveries during the working hours, please speak with the Traffic Marshals on site, who will be able to assist you.
- If you have any queries prior to the scheme starting, please contact **Owen Ledger, Technician** on the email on the front of this letter, or during the scheme by emailing maintenance.highways@derby.gov.uk
- Thank you for your co-operation.
- On the next page, there is a drawing showing our work extents, areas outside of these works should not be affected by the closure.
